# Adding Handicap Strokes to Your Card

- Calculate your COURSE HANDICAP (using your HANDICAP INDEX) – COURSE HANDICAP will be used to "dot" your card, NOT YOUR HANDICAP INDEX

- DOTS are added based on your COURSE HANDICAP and how easy or difficult each hole is

- DOTS are added starting with most difficult hole and continuing until you've reached your total COURSE HANDICAP

- If your COURSE HANDICAP is over 18, put one DOT on all 18 holes and then add a second DOT, starting with the MOST DIFFICULT hole (#1 as shown on scorecard) until you've reached your total COURSE HANDICAP

- If your COURSE HANDICAP is over 36, put two DOTS on all 18 holes and than add a third DOT, starting with the MOST DIFFICULT hole until you've reached your total COURSE HANDICAP
